IN EYE HEALTH, WHILE SOME GAINS HAVE BEEN MADE IN CLOSING THE GENDER GAP, WOMEN STILL EXPERIENCE TWO-THIRDS OF THE BURDEN OF GLOBAL BLINDNESS

Join The Fred Hollows Foundation and the Brien Holden Vision Institute for a breakfast discussion with female eye health leaders to give voice to this human rights issue, to share experiences of barriers in closing the gender gap and to nominate your idea to close the gender gap in eye health.

SUNDAY 30 OCTOBER, 7.30AM – 8.45AM
Meeting room 21, International Convention Centre, Durban

FACILITATORS:
Amanda Davis
IAPB Regional Chair
Western Pacific Region
